

Atherton Tablelands – Local Markets

The Atherton Tablelands is home to farmers, artists and craft workers, who produce an eclectic array of delicious, delightful and inspired creations. Local markets are a great chance to pick up a unique souvenir or gift for friends and family. The Yungaburra Markets are considered one of the best markets on the Atherton Tablelands. They are held on the 4th Saturday of the month from January to November and are short walk from our Yungaburra Accommodation properties. For your convenience, we're pleased to provide the details of other markets in the region below.
